AGENDA ITEMS:

- **Committee Meeting Updates**

ENL had their first committee meeting. One parent and several teachers attended. They discussed how to reach out to the ENL community and would like to send out a survey to community members. Future dates will be posted when this committee will meet again.

Facilities committee discussed possible additional parking by JFK and JQA. This would be on the summer project list. Discussed the Turf Field and a possible “nike-fill” material shortage. The plan is to enter into a cooperative bid that will secure the material needed for the turf field.

No committee members attended the Beautification or Communication committees.

- **Transportation Parking Lot addition**

No issues with parking for Transportation employees. The District is looking into turning the grass area by JFK and Transportation into parking spaces.

Mr. Gouskos mentioned two items:

- The SEPTA auction held last week raised over \$11,000.
- On Monday, Mr. Gouskos, Ms. Demyen and a DP High School student attended an “Afternoon of Questions and Answers” with Billy Joel at LIU Post. Billy Joel spoke about his commitment to lending support to the LI High School of the Arts and Doshi STEM institute.
